Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The focus of the discussion was "initializing a timer upon receipt of each reply from the server" as a proposed amendment by the applicant. Applicant explained how the timer is reset for every reply received from the server. Examiner took the position if one reply is received then there is no resetting of the timer and therefore when the timeout period expires the connection is closed which is very similar to Sridhar's teaching. As understood by the Examiner the Applicant will amend the claims to read over Sridhar's reference. Examiner is looking forward to see the Applicant's response and will take an appropriate action upon receiving Applicant's response..
